### PURPOSE

The Community Advisory Council (CAC) ensures that the integrated healthcare needs of Benton, Lincoln, and Linn County InterCommunity Health Network Coordinated Care Organization (IHN-CCO) members and their communities are effectively and efficiently addressed. The Council advises and makes recommendations to the IHN-CCO to aid in strategic planning and implementation to improve the health and healthcare of those enrolled in the Oregon Health Plan (OHP).

The IHN-CCO was formed in 2012 by local public, private, and non-profit partners to unify health services and systems for IHN-CCO (Medicaid) members in Benton, Lincoln, and Linn Counties. IHN-CCO is a network that includes all who provide services to IHN-CCO members.

The relationship between the CAC and the IHN-CCO is intended to be inclusive, collaborative, and of mutual support in the furtherance of optimal healthcare services for the IHN-CCO membership.
