

Important information regarding your new benefits card!

Watch your mail for your new benefits card to arrive.

Instead of paying out of pocket, Samaritan Advantage Health Plans is providing you with an easy way to pay for some of your qualified health care expenses, such as over-the-counter (OTC) items and certain dental, vision and hearing benefits. Your prepaid benefits debit Mastercard® is loaded with the value of these supplemental benefits, according to the plan you have enrolled in. For more details about the benefits available to you, see the information below.

Over-the-counter (OTC) benefit

- You have \$150 each quarter to purchase eligible over-the-counter items. This amount must be used each quarter and any unused dollars do not roll over to the next quarter.
- Your card is replenished automatically at the start of each quarter (January, April, July and October).
- Covered OTC items can be purchased at any pharmacy, store or online merchant that accepts Mastercard. Examples of common retailers in our service area are Fred Meyer, Rite Aid, Bi-Mart and Walmart. You can visit sig-is.org/card-holders/store-locator to find a retailer near you. (Note: We do **not** allow purchases from stores listed on this site as “90% stores.”)

Vision and hearing benefits

Your benefits card will cover:

- **\$175 for routine vision hardware** (glasses and contact lenses).
- **\$750 for hearing aids**, hearing aid supplies and repair.

Your benefits card will **NOT** cover:

- **Vision exams and glaucoma screenings.**
- **Eyeglasses or contact lenses** after cataract surgery.
- **Hearing exams** (unless the cost of a hearing aid fitting/evaluation is included in the hearing aid cost).

For coverage of these services, present your Samaritan Advantage Health Plans ID card to your provider. See your member materials for more information. Copays may apply.

Important things to know

- Services must be provided by a provider who is not on the Medicare opt-out list.
- Hearing aid batteries are only covered when factory packaged with a hearing aid. Hearing aid batteries purchased on their own are not covered.
