

Important information regarding your new benefits card!

Watch your mail for your new benefits card to arrive.

Instead of paying out of pocket, Samaritan Advantage Premier Plan Plus is providing you with an easy way to pay for some of your qualified health care expenses, such as over-the-counter (OTC) items and certain dental, vision and hearing benefits. Your prepaid benefits debit Mastercard® is loaded with the value of these supplemental benefits, according to the plan you have enrolled in. For more details about the benefits available to you, see the information below.

Over-the-counter (OTC) benefit

- You have \$100 each quarter to purchase eligible over-the-counter items. This amount must be used each quarter and any unused dollars do not roll over to the next quarter.
- Your card is replenished automatically at the start of each quarter (January, April, July and October).
- Eligible OTC items can be purchased at most pharmacies, stores or online merchants that accept Mastercard. Examples of common retailers in our service area are Bi-Mart, Walmart, Fred Meyer, and Rite Aid. You can visit sig-is.org/card-holders/store-locator to find a retailer near you.
- Covered OTC items can also be purchased on the online OTC store at samaritanOTC.com. All items on this website are covered using your benefits MasterCard. These items may also be purchased by phone or mail. Please see the separate catalog for the online OTC store at samhealthplans.org/advantage or contact our Customer Service team if you would like a copy mailed to you.
- Items that are considered “dual-purpose” cannot be purchased at point-of-sale due to Center for Medicare and Medicaid (CMS) rules. Dual-purpose items are purchasable at the online OTC store at samaritanOTC.com or can also be ordered by phone or mail.
