

PRIOR AUTHORIZATION LIST

FOR LARGE GROUP EVERYDAY CHOICES PLANS

Coverage of certain medical services and surgical procedures requires Samaritan Health Plans' written authorization before the services are performed. Your provider can request prior authorization by phone, fax, or mail. If for any reason your provider will not or does not request prior authorization for you, you must contact the Plan yourself. In some cases, additional information or a second opinion can be required before authorizing coverage.

PRIOR AUTHORIZATION BY SAMARITAN HEALTH PLANS IS REQUIRED FOR THE FOLLOWING MEDICAL SERVICES AND SURGICAL PROCEDURES:

- Continuous Glucose Monitors (CGM) and CGM supplies
- Durable Medical Equipment (DME), prosthesis, oxygen and oxygen supplies, with line items prices over \$1,000 in rental or purchase fees or rentals over three (3) months.

Emergency Services will not require prior authorization in accordance with Patient Protection and Affordability Care Act. We request notification of any emergency admissions or observation stays not previously described in this document that exceed 48 hours in order to ensure that all of the member's care is appropriately coordinated.

Medically necessary: Services and medical supplies that are required for prevention, diagnosis or treatment of a health condition which encompasses physical or mental conditions, or injuries, and which are:

- Consistent with the symptoms of a health condition or treatment of a health condition
- Appropriate with regard to standards of good health practice and generally recognized by the relevant scientific community, evidence-based medicine and professional standards of care as effective
- Not solely for the convenience of a member or a provider of the service or medical supplies
- The most cost effective of the alternative levels of medical services or medical supplies, which can be safely provided to member in the PCP's judgment.

For these purposes, "generally accepted standards of medical practice" means standards based on credible scientific evidence that is published in peer-reviewed, medical literature generally recognized by the relevant medical community, Physician Specialty Society recommendations, and the views of physicians practicing in relevant clinical areas and any other relevant factors.

Samaritan Health Plans reserves the right to review or otherwise deny services that are not medically necessary.
