Additional Information

In-network providers
The covered services or supplies that you receive from an in-network provider who has a contract with Samaritan Health Plans and who has agreed to provide services to members of a plan. You generally will have a reduced out-of-pocket expense if you see a provider in the network.

Out-of-network providers
Hospitals, physicians, providers, professionals and facilities that have not contracted with Samaritan Health Plans to provide benefits to persons covered under this plan (sometimes referred to as non-participating providers). Out-of-network providers will be reimbursed at the allowable fee for the service provided.

Deductible and out-of-pocket maximums
Please refer to the additional information provided in your Member Certificate for a further explanation of benefits including limitations and exclusions.

Your Deductible
The portion of the cost of covered services a member is obligated to pay before the plan will provide payment for benefits. Deductibles do not apply to preventive benefits. Both the deductible and out-of-pocket maximum are accumulated on a calendar year basis.

Out-of-pocket limit
The maximum amount you must pay for essential health benefits (for example, deductibles, coinsurance and copays) during a calendar plan year before the plan begins to pay 100% of the allowed amount. The out-of-pocket limit for a calendar year will not exceed the annual cost sharing limit for such year as established by the U.S. Centers for Medicare and Medicaid. The out-of-pocket limit is accumulated on a calendar year.

Expenses for the following DO NOT count toward your out-of-pocket maximum limit:

- Charges over usual, customary, and reasonable amounts
- Benefits paid in full
- Incurred charges that exceed amounts allowed under this plan
- Non-medically necessary services, such as excluded services or those deemed to be not medically necessary by the plan
- Non-covered services, including those where a third party is responsible (COB, settlements, motor vehicle claims)
