

Updated Dec. 3, 2020

SamFit is excited to announce that we are reopening our facility doors for the SamFit Albany, Corvallis and Newport communities! While change is imminent, our goal remains the same: ensuring the health and wellness of those we serve. Your health and safety is our top priority. Thank you for your support, patience and excitement to reopen!

SamFit's facilities in Albany, Corvallis and Newport will begin operations, as approved by Gov. Kate Brown, on Thursday, Dec. 3, at 10 a.m. SamFit-Lebanon will reopen at a later date as approved by the governor. This is according to the new county-by-county reopening standards from the state. Showers are now available – limited to every other stall!

At this time, Benton and Lincoln counties are in the COVID-19 'high-risk' category, which allows indoor fitness centers to operate at 25% capacity. SamFit will operate at this capacity while still providing ample space for maintaining physical distancing between members. Linn County remains at 'extreme-risk' which prohibits any indoor fitness facility from operating. SamFit-Lebanon will reopen once Linn County is upgraded to 'high-risk.'

Updates on facility hours, membership accounts, billing, mask requirements, classes and services can be found by visiting [SamFit.org](https://www.samfit.org).

Let's work together to go above and beyond to keep our communities safe, healthy and moving!
