

## Non-Medical Resource For IHN-CCO Members

InterCommunity Health Network Coordinated Care Organization (IHN-CCO) knows many of our members, your patients, are facing difficulties due to the COVID-19 pandemic.

To help alleviate some of the burdens related to income and/or job loss, IHN-CCO is providing support for rent/mortgage, food, utilities, certain household goods and other important needs.

Please refer your patients to, or help them with, the [Assistance Request Form](#) found at [IHNtogether.org/COVID-19](https://IHNtogether.org/COVID-19) or reach the Medical Management Department by calling Customer Service. The IHN-CCO member or anyone on your care team can call or request assistance in this manner.

Thank you for supporting our members during this difficult time.
